### GENERAL INFORMATION

**How do I enroll to receive state-supplied vaccines?**

1. VacTrAK renewal/enrollment starts December 2014
2. Vaccine Distribution Program renewal/enrollment starts January 2015

For more information: (1) [www.epi.hss.state.ak.us/id/iz/vactrak/](http://www.epi.hss.state.ak.us/id/iz/vactrak/) and (2) [www.epi.hss.state.ak.us/id/iz/vaxpacket/](http://www.epi.hss.state.ak.us/id/iz/vaxpacket/)

**What is the administration fee for state-supplied vaccines?**

There is no change to the vaccine administration fee rules:

- For non-Medicaid VFC (Vaccine for Children) patients, the administration fee cap is $27.44
- For Medicaid patients, the cap is the State Medicaid fee cap
- For privately insured patients, the administration fee is your contracted vaccine administration fee

**What eligibility status do I need to document?**

**Document using the following eligibility codes:**
- V02 = VFC Medicaid Eligible
- V03 = VFC Uninsured
- V04 = VFC American Indian/Alaska Native
- V05 = VFC Underinsured (FQHC)
- V06 = State Flu (2014-15 Season)
- V07 = State Vaccine (AVAP)
- V01 = Ineligible (Private Vaccine)

**Document funding source:**
- “Public” – for all state-supplied vaccines
- “Private” – for privately purchased vaccines

### CHILDREN (0 through 18 years)

**Who can receive state-supplied vaccines?**

All children can receive all state-supplied vaccines (see [www.akvaccine.org/akvaccine.nsf/pages/for-providers.html](http://www.akvaccine.org/akvaccine.nsf/pages/for-providers.html)), except flu in 2014-2015 season*, through:

- **VFC:** Medicaid, uninsured, American Indian/Alaska Native, and underinsured (FQHC)
- **AVAP:** All other children

### ADULTS (19 years and older)

**Which vaccines are included?**

Adult State Vaccine in 2015 include:

- HPV (limited supply for females 19 through 26 yrs and males 19 through 21 yrs)
- Meningococcal (limited supply for 19 through 20 yrs)
- Pneumovax (PPSV23)
- Td/Tdap
- Zoster (ages 60 through 64 yrs)
- Flu in 2015-16 season

**Who can receive state-supplied vaccines?**

Providers **Opting-in** for uninsured adults can receive state vaccine for:

- All adults

Providers **not Opting-in** can receive state-supplied vaccines for:

- Adults with a participating payer (a list of participating payers will be posted on [www.akvaccine.org](http://www.akvaccine.org))
- Medicaid-covered adults

**What vaccines need to be privately purchased?**

Providers **Opting-in** for uninsured adults need to privately purchase for:

- All non-state-supplied vaccines (i.e., Hep B, MMR, etc.)

Providers **not Opting-in** for uninsured adults need to privately purchase for:

- All non-state-supplied vaccines (i.e., Hep B, MMR, etc.)
- Adults with Medicare only
- Adults with non-participating payers (a list of non-participating payers will be posted on [www.akvaccine.org](http://www.akvaccine.org))

*State underinsured and insured children from 0 through 35 months will be covered by the State of Alaska.
